

Milestones Checklist

WELCOME!

We are so excited to have you join our center. Please take a few moments to make sure your child/ren are ready to start.

- ☐ All registration forms are filled out correctly, signed, and submitted
- ☐ Newest physical (dated within the year) has been submitted
- ☐ Immunizations have been submitted
- ☐ Confirm drop off and pick up times/process
- ☐ ALL belongings are labeled with your child/ren's names. (This includes clothing and bedding)
- ☐ Ensure all necessary supplies are on-site (Including two changes of clothing, diapers, wipes, bedding, etc.)
- ☐ Ensure you know how to reach your child's educators and the administration team.
- ☐ Send in a family photo for our family walls. (This is for every classroom)
- ☐ Ensure we have medical consent forms, emergency medications, and action plans if a child has allergies or asthma.
- ☐ Join your child's classroom on the Procure app. (Ask for the invite if you have not received it on their first day.)

Expect some tears - they are an important part of development as they adapt to a new environment and different social situations. All children adapt differently and some may take longer than others but we promise it will get easier for all of you.

We look forward to seeing you on your first day and to watch you learn and grow!
